This report shall not be reproduced, copied, or used in any manner without the written consent of the lab. This report is for informational purposes only and should not be used to diagnose, treat or prevent any disease. Results are only for samples and batches indicated. Results are reported on an "as received" basis, unless indicated otherwise. When a Primary of origin is required, this status is indicated by the "P" in the sample ID. Results are reported on the basis of the sample received. The measurement of uncertainty is not included in the results unless explicitly required by federal, state or local law and has been reported on the certificate of analysis. Measurement of uncertainty is available upon request.
